

RESOLUTION NO. 17-011

A RESOLUTION AUTHORIZING SOLID WASTE RATES FOR TOWN SERVICES FOR THE FISCAL YEAR BEGINNING JULY 1, 2017 AND ENDING JUNE 30, 2018 AS AUTHORIZED IN THE TOWN CODE

WHEREAS, The Town Code provides the Council the authority to set rates as listed below:

TITLE 6 HEALTH AND SAFETY SANITATION § 6-2-2 d.

WHEREAS, the Town of Dubois duly advertised a public hearing held on June 14, 2017 to review the FY17/18 Budget Sanitation Solid Waste Fees in Resolution 17-011, and;

WHEREAS, the General Fund cash asset of the sanitation fund is accounted for as an independent solid waste enterprise fund with the objective to maintain an equipment replacement fund in the event the town must get back into the business of solid waste. Sanitation Funds will be invested in combined investments, with interest revenue from the assets to increase the same asset.

WHEREAS, the contract with Wyoming Waste Management established a set rate table for size of dumpster based on the number of lifts per week. Commercial Customers are allowed to change the size of dumpster or number of tips per week on a monthly basis, effective the first day of each month for the entire month contingent upon the contractor's ability to deliver the requested dumpster.

WHEREAS, the Town of Dubois agreed to a 3 year contract extension effective July 1, 2015 until June 30, 2018, and;

THEREFORE BE IT RESOLVED THAT Operation Fees for the Solid Waste Utility Billing rates for the 2017/2018 fiscal year reflect an increase and are set as listed below for each solid waste customer or each owner or occupant of any dwelling or business which receive other Town Services (i.e.: water and/or sewer services), and shall be billed a user fee twelve months of the year for garbage services pick-up with their bill for other Town Services. The fuel surcharged will remained eliminated as the price of fuel exceeded has not exceeded \$3.25 per gallon. **The implemented Fuel Surcharge is calculated utilizing the Rocky Mountain Region price per gallon base fee as of July 1, 2006 and adjusted monthly to increase or decrease accordingly.*

BE IT FURTHER RESOLVED that Fremont County Solid Waste Board's Disposal Surcharges will be billed to the Town and not be part of the contract with Wyoming Waste Management. The Town of Dubois has chosen to recoup the disposal fees using a surcharge allocation to each of the billing categories, therefore the disposal fees will vary monthly based on the actual weight and actual disposal charges.

BE IT FURTHER RESOLVED that the fee schedule for garbage services in Town Code Section 6-2-2-d. will vary based on actual costs charged by the Fremont County Solid Waste Board and will be charged at cost plus 2%.

PASSED, APPROVED AND ADOPTED THIS 14th DAY OF JUNE, 2017
